**THE GREEN EXPO International Exhibition and Conference for Environment and
Renewable Energy**

Postponed to September 7-9, 2021

Düsseldorf (July 01, 2020): The organizers of THE GREEN EXPO are committed to ensuring the health and safety of exhibitors, visitors and suppliers within the exhibitions and recognize the power of face-to-face interaction for successful business generation and productive business relationships.

Taking into account the above and due to COVID-19 situation the organizers have decided to reschedule the realization of the 2020 edition of THE GREEN EXPO for September 7-9, 2021, at the CENTRO CITIBANAMEX, Mexico City.

Also, the co-located events AQUATECH MEXICO and INTERSOLAR MEXICO, will be held in September 2021.

Updated information can be found on the event website www.thegreenexpo.com.mx/ or via the social networks (Facebook, Twitter, Instagram, LinkedIn).

Participation options for exhibitors are available at the European branch office of EJK in Düsseldorf, www.ejkgermany.de
